SPRING PLANTING TOUR

April 10th - June 21st

TUESDAYS, THURSDAYS, & FRIDAYS

Content Appropriate: Preschool - 5th Grade

\$12.00 per person • Teachers FREE

This Spring, Trunnell's Farm Market will be Digging into the Exciting World of Agriculture! As soon as the students get off the bus, they will begin an Agrigation Experience at Trunnell's without even realizing that the Farm is a "Lesson". From planting seeds and learning about bees to our comprehensive lesson plans, we will Educate and Entertain your class.

Spring Planting Tour Includes:

Create a Grass Head

Students will learn and investigate germination of seeds and plant needs in an interactive planting lesson where they will create a Grass Head to take home and watch grow.

Bee Smart

Students will learn the importance of bees and pollination while playing a game in which they simulate pollination.

Story Time

Students will hear the story "Tops and Bottoms" learning the different parts of plants, that different plants are edible and non-edible, and how these plants grow.

Explore the Animal Barnyard

Students will get up close and personal with our barnyard animals! Come meet the baby rabbits, goats, pigs, ducks and baby calf!

Tour the Market Facilities

A guided educational walking tour to experience "hands-on" how a farm market operates. Each student will get to sample a Slushie. Students will also have the opportunity to purchase a "souvenir" from the market.

All Tours Include:

Trunnell's Farm Experience & Picnic Area

A block of land next to the farm market full of educational and entertaining activities- 30+ Attractions. The students can burn off extra energy playing in the Animal Barnyard, Jumping Pillow, Corn Maze, Bouncy Town, Conk the Crow, Barnyard BallZone, Giant Slide, Duck Races, Yard Games, Pedal Trike Track, Hay Pyramid, Korny Korn Pit, Straw Maze, Kiddie Corral and More!
An "Absolutely Fun" Experience.

We offer a Farm Fresh Lunch

Both our Farm Grill and Kluckery will be open to purchase lunch. All Student lunches need to be pre-ordered before your tour date. Student Lunch options include a Chicken Tender Meal (Chicken Tenders, Apple Sauce, and Apple Juice) or Cheeseburger Meal (Cheeseburger, Apple Sauce, and Apple Juice) for \$7.95/meal.

MINING SLUICE ADVENTURE TOURS

April 10 - June 21

Sept. 11 - Nov. 1

Content Appropriate: 2nd Grade - 8th Grade

\$12.00 per person • Teachers FREE

Combo of any 2 Tours • \$20

Choose from Two Mining Tour Options:

Students will make their way to the Water Sluice, a wooden water tower in which water runs through a series of troughs. Students will take their bag of mining "Rough" and pour it into a sluice box. Each student will sift and shake their box, and the water will wash the dirt away slowly revealing their found TREASURE. After each student discovers their Gems or Fossils, they will be given an identification card to accurately identify exactly what they found. When the exercise is complete, students will keep their found treasure and the ID card to take home.

Gem Mining Tour Includes:

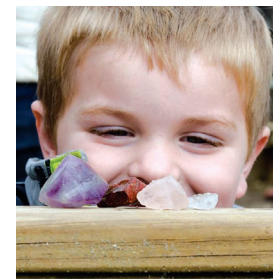

A ROCK OR A MINERAL

Students will participate in an interactive outdoor classroom learning and investigating the differences between rocks and minerals and the life cycle of rocks. Students will have a Hands-On Learning Experience at the Mining Sluice, where they will discover and identify various minerals and gemstones.

fossil Mining Tour Includes:

THE WORLD OF FOSSILS

Students will engage in an interactive outdoor classroom learning the importance of fossils and investigate the factors needed for fossil formation. Students will have a Hands-On Learning Experience at the Mining Sluice, where they will discover and identify various fossils.
